

SECTION:	Inter-jurisdictional Issues
INDEX NO.:	I300-300
TITLE:	Documents At PCO For Plans in Other Provinces
PUBLISHED:	Bulletin 2/3 (November 1991)
EFFECTIVE DATE:	When published. [No longer applicable – replaced by MJ300-300 – November 2013]

Note: Due to legislative changes, references to “PCO” should now read “FSCO.”

Taken from the “Your Questions Answered” column published in the PCO Bulletin. Please see the disclaimer at the beginning of the directory.

What documents are on file with the PCO for plans registered in another province but having Ontario members?

The PCO would not usually have any information on file for plans registered in another province (with the exception of the skeleton file mentioned above). If information is needed concerning the plan, the first contact is the Administrator and then the province of registration.
