Version française disponible à partir du 10 janvier 2019.

Pursuant to Section 102 of the *Insurance Act* (Ontario), all Ontario insurers are required to file annual returns for the year ended on October 31, 2019 or December 31, 2019, with the Chief Executive Officer of Financial Services, or his or her designate. Section 447 of the *Insurance Act* provides penalties for those insurers who do not comply with the filing requirements.

Helpful resources on updated forms and instructions are also available on [The Office of Superintendent of Financial Institution's](#) web-site.

The Filing Information for Insurers Licensed in Ontario details the forms and reports required by Ontario. We request that the 2019 annual returns be delivered in an electronic copy format (pdf, excel, ASCII file) as applicable versus a paper format as part of our process improvement measures. Please note the insurer number on each document filed. Where Auditors' Reports are referenced, we require both the Auditors' Report addressed to the primary regulator and the Auditors' Report to the shareholders/policyholders together with the audited financial statements.

If the company intends to change its licence status (i.e. discontinuing, withdrawing or merging) the Licensing Approvals Unit should be contacted at LicensingApprovals@fsrao.ca, and if appropriate, adjustments will be made to the 2019 Preliminary Assessment.

All Section 102 filings should be filed with FSRA **by February 28, 2020**. Please forward your electronic documents to ccoupdates@fsrao.ca.
