### **REASONS FOR DECISION:**

1. Stanley Canada Corporation is the employer and administrator as defined in the Plan (the "Employer").
2. The Plan was wound up effective December 31, 2012.
3. The Plan had a liability under section 75 of the PBA as per the wind up report as at December 31, 2012, filed by the Plan's actuary.
4. The Employer made a payment of \$4,052,200 to fund the liability.
5. Information provided by the Plan's actuary on February 23, 2018 as part of the Employer's application under section 62.1 of the PBA showed that there were assets in the amount of \$1,942,305.67 as at January 31, 2018, remaining in the Plan's pension fund after all benefits have been settled.
6. In these circumstances, section 32(4) of Regulation 909 states that the money remaining in the pension fund may be paid to the employer in accordance with section 62.1 of the PBA, as if the money was an overpayment into the pension fund by the employer within

the meaning of section 62.1(1)(b) of the PBA.

7. Section 62.1(4) of the PBA states that if an employer makes an overpayment into the pension fund, the application to the Superintendent for reimbursement for the payment must be made before the later of: (a) 24 months after the date on which the employer made the overpayment; and (b) six months after the date on which the administrator, acting reasonably, becomes aware of the overpayment.
8. The Employer's application for reimbursement of the overpayment was made on February 23, 2018. The Employer has indicated that this date is within 24 months after the date on which the Employer made the overpayment. Accordingly, the application has been filed within the time limits set out in section 62.1(4) of the PBA.
9. Such further and other reasons as may come to my attention.

**DATED** at Toronto, Ontario, this 7th day of August, 2018.
