#### **REASONS FOR DECISION:**

1. Black & Decker Canada Inc. is the employer and administrator as defined in the Plan (the Employer).
2. The Plan was wound up effective December 31, 2012.
3. The Plan had a liability under section 75 of the PBA on wind up.
4. The Employer has been funding the liability under section 75 of the PBA.
5. The latest report prepared by an actuary and filed by the Employer as administrator of the Plan under section 32(1) of Regulation 909, R.R.O. 1990, as amended (the Regulation) shows that there is no further amount to be funded under section 75 of the PBA, and that there is money remaining in the pension fund in the amount of \$9,872.12 after all benefits have been settled.
6. In these circumstances, section 32(4) of the Regulation states that the money remaining in the pension fund may be paid to the Employer in accordance with section 62.1 of the PBA, as if the money was an overpayment into the pension fund by the Employer within the meaning of section 62.1(1)(b) of the PBA.
7. Section 62.1(4) of the PBA states that if an employer makes an overpayment into the pension fund, the application to the Superintendent for reimbursement for the payment must be made before the later of: (a) 24 months after the date on which the employer made the overpayment; and (b) six months after the date on which the administrator, acting reasonably, becomes aware of the overpayment.

8. The Employer's application for reimbursement of the overpayment was made on November 30, 2015. The Employer has indicated that this date is within 24 months of the overpayment.
9. I am satisfied that the Employer's application for reimbursement of the overpayment has been filed within the time limits set out in section 62.1(4) of the PBA.
10. Such further and other reasons as may come to my attention.

**DATED** at Toronto, Ontario, this 21st day of December, 2015.
