REASONS FOR PROPOSAL:

1. The Butcher Engineering Enterprises Limited is the employer and administrator as defined in the Plan (the Employer).
2. The Plan partially wound up effective June 30, 2009.
3. The Plan had a liability under section 75 of the PBA on partial wind up.
4. The Company has been funding the liability under section 75 of the PBA.

5. The latest report prepared by an actuary and filed by the Company as Administrator of the Plan under section 32(1) of Regulations 909, R.R.O. 1990, as amended (the Regulations), showed that there are no further amounts to be funded. There is money remaining in the pension fund in the amount of \$52,756.89 after all benefits have been settled.
6. In these circumstances, section 32(4) of the Regulation states that the money remaining in the pension fund may be paid to the employer in accordance with section 62.1 of the PBA, as if the money was an overpayment into the pension fund by the Company within the meaning of section 62.1(1)(b) of the PBA.
7. Section 62.1(4) of the PBA states that if an employer makes an overpayment into the pension fund, the application to the Superintendent for reimbursement for the payment, must be made before the later of, (a) 24 months after the date on which the employer made the overpayment; and (b) six months after the date on which the administrator, acting reasonably, becomes aware of the overpayment.

The Company's application for the overpayment was made on May 26, 2015. The Company has indicated that this date is within 24 months after the date on which the employer made the overpayment.

I am satisfied that the Company's application for overpayment has been filed within the time limits set out in section 62.1(4) of the PBA.

8. Such further and other reasons as may come to my attention.

DATED at Toronto, Ontario, this **11th** day of **June, 2015**.
